My dear Mr. Mathis:

I did not have the opportunity to express to you as profoundly as I might have wished the sincere appreciation of all of us for the program of "The Royal Seranaders" last Sunday evening. It revealed not only a fine sincerity and artistry but a quality of musicianship which recommends you and your group to a very high degree.

I was delighted that Mr. Ray Kneeland heard the program and hopes to be able to place you on some commercially profitable programs in the future, and I trust that I may recommend an appearance of your group to a number of our Methodist Churches.

Your second to last number "Bread of Heaven" moved me greatly. I wish it might be possible for the number to be used in a Communion Service for some time in the future.

I understand that some effort will be made to bring your group back for a concert. We shall look forward to that possibility with interest and enthusiasm.

Very sincerely,

Dean E. Richardson
